

Park Maintenance

Our regular maintenance commences at the beginning to mid May. This work entails preparation and maintenance of all parks & green spaces. It includes mowing, trimming, clean-ups and general repairs. Regular scheduled maintenance such as dragging and lining of sports fields commences June 1st.

Included is the maintenance and repair of all park facilities including fountains, washrooms, and playground equipment. The schedule also reflects the regular pick-up of garbage and debris.

We maintain the following parks and sports fields;

Littlebrook, Seawinds, Squire, Basin, Centennial, Grovehill, Causeway, Fountain, Harbourview Blvd, Franklin, Payne, Victoria, Tetagouche, Bernon, Sports Chalet, Library, Dumaresq, ESN, Lavigne, Patterson, Brideau, Bosca/Buraglia, Coronation, City Hall, Manor Park, Youghall Beach

We operate seven tennis courts in three different parks-4 of which have lights. We have three regulation size softball fields with lights. As well, we operate three minor ball fields, and one senior ball field with lights.

We have and maintain the following:

-3 soccer fields

-18 neighborhood parks with playground facilities

-Over 120 acres of open green space at various locations throughout the city
