

## **Water Meters**

The City of Bathurst would like to advise its citizens of the importance of making sure that their water meter is accessible to the Water Meter Reader and to the Public Works Department for maintenance should any repairs be needed.

Note: If you are not home at the time the Water Meter Reader goes by to take the reading, a blue card will be left. This card should be filled out and dropped off or mailed to City Hall or the Public Works Department.

For more information, call the Operational Services Department at 548-0444, or email them at [City.PublicWorks@bathurst.ca](mailto:City.PublicWorks@bathurst.ca)
