

OUTDOOR WOOD BURNING APPLIANCES

When using an Outdoor Wood Burning Appliance please respect the following rules:

- 1) Only one (1) Wood Burning Appliance may be used on the property.
- 2) They must not be used on wood decks or combustible platforms.
- 3) The appliances must have screens in place and the door or cover must be closed when in use.
- 4) Only dry seasoned firewood shall be used in these units, as it burns with little or no smoke.
- 5) There shall be **NO** use of treated wood, painted wood, leaves, grass or other vegetation, plastic, oil, rubber or any food materials.
- 6) The Outdoor Wood Burning Appliance must be located:
 - a) Three (3) meters (10 feet) from all adjacent structures or buildings.
 - b) Six (6) meters (20 feet) from a neighbour's residence.
 - c) Three (3) meters (10 feet) from all hedges trees, overhead electrical wires, any combustible materials or roadways.
- 7) No flammable liquids are to be used to ignite materials to be burned.
- 8) The Wood Burning Appliance must be supervised by an adult when being used and until the fire is completely extinguished.
- 9) No burning shall take place when Department of Natural Resources has a ban or restriction on open fires. Please call 1-866-458-8080 or consult their website:
<http://www.gnb.ca/public/fire-feu/dbpmap-e.asp>
- 10) Wood Burning Appliances must be ULC/CSA approved and the manufactures instructions must be followed.
- 11) Advise neighbors before burning.
- 12) Use of these appliances is at **your own risk**.

NOTE: When a **VALID** complaint is received regarding an Outdoor Wood Burning Appliance that is in use, the Bathurst Fire Department reserves the right to order the immediate extinguishment of the fire.

BEFORE BURNING YOU MUST CHECK WITH DNR AT 1-866-458-8080 OR WWW.GNB.CA/FIREWATCH AND YOU CAN ONLY BURN WHEN ALLOWED.
