

# CAMPFIRES

**When making a campfire please respect the following rules:**

1. A Burning Permit required from the Bathurst Fire Department.
2. For professional organized groups, only one (1) campfire shall be permitted on a property.
3. For campgrounds, both private and public, each individual camping lot shall be considered a separate property.
4. All campfires shall be contained using a non-combustible material, which shall prevent the accidental spread of fire.
5. Campfires shall not exceed 60cm (24 inches) in width and wood not to be piled more than 45 cm (18 inches) in height.
6. Clearance of 4.57 meters (15 feet) must be maintained in all directions.
7. Only dry seasoned firewood shall be used.
8. There shall be no use of treated wood, painted wood, leaves, grass or other vegetation, plastic, oil, rubber or any food materials.
9. The fire must be supervised by an adult and all embers must be extinguished with water when burning is completed.
10. No burning will take place when the Department of Natural Resources has ban a or restriction on open fires. Please call 1-866-458-8080 or consult their website at:
